

The Honorable Chet Holifield, Chairman  
Committee on Government Operations  
House of Representatives  
Washington, D. C. 20515

My dear Mr. Chairman:

This is in response to your letter of 14 August 1972 requesting certain information from this Agency for inclusion in your Committee's published inventory report on real and personal property assets of the U. S. Government.

The information on Agency real and personal property assets will be furnished in the same manner that has been followed in past years. We have reached an understanding with Mr. James Lanigan of your Committee staff that there will be no additional reporting on property in the custody of contractors.

As in the past, we are pleased to cooperate in the endeavors of your Committee wherever possible.

Sincerely,

Richard Helms  
Director
